

# EVEN MORE..... GREAT GIFTS FOR GARDENERS

Ask any green thumb what their most prized possession is and chances are it's a pair of Felco pruners. If your favourite gardener doesn't yet have these Cadillac shears, they'll love opening a pair up this Christmas.

Many sizes available, with the #2 being very popular - \$74.99

We've brought in some of our brand new 2012 garden décor items early, so you can impress your favourite gardener with figures and gazing balls you won't find anywhere else until spring.

Available in several colours, some of our new gazing globes come complete with a light inside to enhance your garden at night  
\$94.99 (with light)

The Enchanted Garden series is brand new this year, and includes adorable resin characters, step stones and rain gauges all with a bronze finish for a classic look without the weight.

Frog Fountain \$139.99  
Other characters \$59.99 and up  
Rain Gauges \$24.99  
Step Stones \$39.99

## Seed Supplies

Most gardeners are itching to get growing once the Christmas decorations are put away. Get them geared up by combining seeding trays, seeds, plant markers and more for a Get Growing basket. Looking for something more compact? Give them a seed sprouter kit; these kits quickly produce delicious sprouts and mini greens. A great project for kids to do indoors!
