

NEW TROPICAL SELECTIONS

Golden Passion Chinese Evergreen

New selection with colourful foliage in a mix of green, red and yellow.

Compact growth habit makes it suitable for home or office.

Lady Valentine Chinese Evergreen

Deep green leaves accented with a central pink stripe and bronze red undersides.

Compact growth habit makes it suitable for home or office.

Pride of Sumatra Chinese Evergreen

New selection with colourful green and red foliage.

Compact growth habit makes it suitable for home or office.

Ruby Sunset Chinese Evergreen

Deep green leaves accented with a central pink stripe and bronze red undersides.

Compact growth habit makes it suitable for home or office.

Alabama Painter's Palette

Heart shaped leaves beneath unique flowers resembling a painters 'palette'.

Blossom colour ranges from red to pink to burgundy. Prefers moist but well drained soil and consistent humidity.

NEW TROPICAL SELECTIONS

Lime Light Dracaena

This easy to grow tropical has bright chartreuse leaves.

Tolerates low light levels, great for homes or office.

Kimberly Queen Fern

This new selection of Boston Fern is much more suited to growing inside Alberta homes.

Tolerates lower humidity levels than traditional Boston Ferns without shedding.

Keep consistently moist and humid.

Medusa Blushing Bromeliad

Thick, colourful leaves form a vase shaped mound.

Blooms arise from center of plant and are very long lasting.

Inner 'cup' of foliage should be kept filled with water. Provide a brightly lit area.

Air Plant (Tilandsia)

Thick strap shaped leaves form a tidy mound.

Unusual blooms come in many colours and last for several weeks.

Prefers a brightly lit area with consistent moisture and humidity.
